thanks (I think....;)

I also was just made quite a bit cheerier by seeing the other email. I could use a weekend home and a weekend that I can relax a bit more (besides we have Flyers tickets for next Sunday the 22nd!). I am just not getting 100% better - [REDACTED]

[REDACTED] I have a usually iron clad immune system! Must be age.....or HQ....

Gotcha for the numbering. [REDACTED]

[REDACTED] - a delay in the move date also gives me time to work on the list and double check the info that I do have.

I cannot remember what the deadline was for START to finish the first 4 (data gathering) and start on the rest - was is Thursday? I will make sure that I have them the full list by Weds night. I should be back to the hotel from the IPC by 4 on Weds and the meeting with Lyco Co does not start until 9 am Thurs.

Thanks! I will be able to call in at least a bit on Weds while I am moving to the meeting.
